7 1. a. Any municipality within which a solid waste facility is
8 proposed for inclusion in the district solid waste management plan,
9 or within which the conversion of an existing solid waste facility
10 within the municipality is proposed that requires an amendment to
11 the district solid waste management plan, may conduct a review of

42 STATEMENT
43

44 This bill would authorize a municipality within which a solid
45 waste facility is proposed for inclusion in the district solid waste
46 management plan, or within which the conversion of an existing
47 solid waste facility within the municipality is proposed that requires
48 an amendment to the district solid waste management plan, to

1 conduct a review of the proposal. The municipal review of the
2 proposal may include a review of the solid waste facility's
3 application and the facility's impact on, or addition to, traffic, noise,
4 existing infrastructure, air quality, odor, and other environmental
5 factors. The municipality may also conduct a public hearing as part
6 of its review.

7 The bill also authorizes a municipality to prepare and submit a
8 written report to the county solid waste advisory council, or the
9 Hackensack Meadowlands Municipal Committee in the case of the
10 Hackensack Meadowlands District, that details the municipality's
11 findings and the municipality's position with regard to the
12 application. If a municipality submits a report opposing the
13 application, the county solid waste advisory council, or the
14 Hackensack Meadowlands Municipal Committee in the case of the
15 Hackensack Meadowlands District, is required under the bill to
16 conduct a hearing on the application.

17 Finally, the bill provides that the county solid waste advisory
18 council, or the Hackensack Meadowlands Municipal Committee in
19 the case of the Hackensack Meadowlands District, must consider
20 the municipality's opposition to the application and may, based
21 upon the municipal opposition, recommend that the board of chosen
22 freeholders, or the New Jersey Sports and Exposition Authority in
23 the case of the Hackensack Meadowlands District, deny the
24 application.
